REALTORS PLAN DRIVE FOR NEW MEMBERS HERE

Unaffiliated real estate brokers who meet the ethical and professional standards of the Torrance-Lomita Board of Realtors and the National Association of Real Estate Boards will receive a special invitation in April to join both groups, Don L. Houston, Chairman of the Membership Committee said today.

By way of explanation, Houston pointed out that all real estate brokers are not members of the local real estate board and hence of NAREB. Possession of such dual membership entitles a broker to the designation of Realtor — the registered trademark of NAREB — and indicates that he has met the requirements of experience, competence, an ethical conduct of the organizations.

“EVER SINCE its founding in 1908, NAREB and its affiliated boards have sought to advance the real estate calling to professional status as a service to the public in the important field of buying and selling property,” Mr. Houston said. “And certainly one of the main ways of achieving this goal is the admittance into membership of qualified brokers.”

The local board official went on to say that while his organization is constantly seeking to strengthen the ranks of professional real estate men by admission of worthy brokers throughout the year, April has been designated as a month in which new membership is a matter of top priority. Other members of the membership committee who will assist in the special campaign are Delbert Vaughn, Jaunita Bolin, Don Shaw, and Scott McIntire.

OUR BOARD is now composed of 240 members, Houston said. “Every Realtor is encouraged to submit the names of other non-member brokers whom they may know to be of high caliber and willing to abide by the NAREB code of Ethics which is based on the Golden Rule. All such candidates will be considered carefully by my committee and the full membership.”

April is being observed as membership month by all 1,314 local real estate boards affiliated with NAREB across the country. The Association, which now has a total membership of more than 63,500 Realtors, is one of the largest trade associations in the nation and the largest in the real estate field.

“New Board members — in addition to the satisfaction they will get from the knowledge they have been found

worthy by their peers — will derive many other advantages from admission to Realtor status,” Houston said.

“They will be able to add to their professional equipment through the educational services of our board and the association. And they will find that, as Realtors, the road is open to them to specialize in one or more branches of the real estate field by affiliation with some of the 10 related Institutes, Councils, and Societies of NAREB,” he added.

Displays of Craft, Film Open Friday

Works of children and adults who have participated in classes sponsored by the Torrance Recreation Dept. will be on display starting Friday.

Both practical and aesthetic creations of young and old will be shown at the Arts & Crafts Center, 1511 Cravens Ave.

The display will be unveiled between showings of “Julius Caesar,” a film built around Shakespeare’s story of the noblest Roman of them all.

The movie, which stars Charlton Heston, will be shown at 7 and 8:30 p.m. It is from the library of the Los Angeles County Museum.

There is no admission fee for either the film or the display.
